ordinary skill in the art would be able to determine other hybridization variants by their common activity and critical special feature as an ABC transporter. It is clear, therefore, that a person of ordinary skill in the art would recognize what the inventors have claimed.

For the reasons presented above, and in conjunction with the evidence presented herein, applicants respectfully request that the rejection be withdrawn.

### ***Conclusion***

For at least the foregoing reasons, Applicant respectfully submits that the present patent application is in condition for allowance. An early indication of the allowability of the present patent application is therefore respectfully solicited.

If Examiner Basi believes that a telephone conference with the undersigned would expedite passage of the present patent application to issue, he is invited to call on the number below.

It is not believed that extensions of time are required, beyond those that may otherwise be provided for in accompanying documents. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and the undersigned respectfully requests that she be contacted immediately.

Respectfully submitted,
